

Cordran[®] (flurandrenolide) – First-Time Generic

- On January 3, 2017, [Teligent announced](#) the FDA approval of an [AT-rated](#) generic version of Aqua Pharmaceuticals' [Cordran \(flurandrenolide\)](#) 0.05% ointment.
 - Teligent plans to launch generic Cordran ointment in the first quarter of 2017.
- Cordran is indicated for the relief of the inflammatory and pruritic manifestations of corticosteroid-responsive dermatoses.
- Brand Cordran is also available as a [tape](#). The [cream](#) and [lotion](#) are available generically.
 - All products share the same indication as the ointment formulation.
 - The indication for Cordran tape specifies that it can be used for particularly dry, scaling localized lesions.
