

Emtriva® (emtricitabine) – First-time generic

- On August 31, 2020, Cipla launched an AB-rated generic version of Gilead's Emtriva (emtricitabine) capsules.
- Emtriva is approved in combination with other antiretroviral agents for the treatment of human immunodeficiency virus-1 infection.
- Emtriva is also available as a brand oral solution and carries the same indication as Emtriva capsules.
- Emtriva carries a boxed warning for posttreatment acute exacerbation of hepatitis B.
